

COACH WANNABEE'S

RULES

1. Everyone must follow the rules. We are all (or will soon be) friends and it's important that we remain fair and impartial when it comes to enforcing these rules.
2. Team rosters will consist of:

3- QB	5- REC	2- DEF
3- RB	2- KCK	
3. Each week, a line-up should be turned in before kickoff of any game your players are in. This line-up will consist of:

2- QB	3- REC	1- DEF
2- RB	1- KCK	
4. If a line-up is not turned in before the deadline, you can still put one in with players who have not yet played their game. Any players who do not play (under any circumstances) will receive "0" points. I hope your playing me when this happens.
5. You are responsible for making sure your line-up is posted. Do not rely on someone else to do so. If for any reason you cannot do so, you may call someone to place it for you. They will simply need your password to log in.
6. Rosters may be changed at any time until the line-up deadline.
 - a) Players may be released and redrafted.
 - b) Any player changes will be made on a first come first serve basis. It is to your advantage to make roster changes as soon as possible.
 - c) If a player is INJURED, the coach with that player on his roster is allowed the following day to draft the actual replacement without anyone else being given the option. However, on a first come basis, other coaches may draft the replacement player the day after that.
 - d) One player can be put on IR. However, they do not have to be injured. Any player can be placed on IR at any time.
7. A Coach is expected to post a line-up every week.
8. Game tiebreakers will be assessed in this order.
 1. Most Td's
 2. Td Yardage
 3. Kicker pts.
 4. Defense
9. Ties in the Standings will be broken first by the head to head games, then, most points for the year.
